REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Monaview Elementary Goals and Objectives:

The 2009-2010 school year was an exciting and successful year at Monaview Elementary. SIC, PTA, School Faculty Council, staff and students worked together in establishing a shared vision. As a learning community, Monaview used the Greenville County School's Educational Plan as a framework to establish and implement directional goals which led to increased student performances in the core subject areas of English Language Arts, science and social studies as measured by MAPS. Upon reviewing current test data, SC State Standards for learning, student benchmark data, and priority goals were established to increase student performances in math and reading. Strategies to support these goals included continued professional development in Four-block and vocabulary development for all teachers. With the assistance of teachers, students established individual academic goals for the school year. Academic rigor in instruction and grade level RTI groups were implemented to support priority goals.

Monaview Elementary Accomplishments for 2009-2010:

Monaview experienced ongoing celebrations this school year. The Greenville Drive awarded Monaview students the 2010 ALL-STAR'S Top Elementary School Performance Award Plaque for having the highest number of students reading on a daily basis in the District. Monaview Elementary Kindergarten Teacher received recognition from the Peace Center Arts Program as: Teacher of the for the Arts Program. Monaview was recognized and received a banner as a 2009-2010 Healthy School.

Monaview Elementary Future Plans:

Plans for the 2010-2011 School year have already begun with the Monaview Learning Community. Monaview will continue with their Schoolwide theme: Destination Learning –Oh, the Places You Can Go! Monaview will continue to review data from a variety of sources and set new goals for increased student performances in all core subjects. Administration and Faculty Council will continue to build collaborative, cohesive teams. PTA, SIC and administration will promote increased student safety measures to ensure a safe, caring and learning environment is in place for all students.
